GEO-Omaha 2020 Conference Call for Abstracts

Submissions are encouraged from geoprofessionals, geotechnical engineers, practitioners, educators, researchers, firm owners, and others. Presenter(s) are requested to submit their abstracts electronically via e-mail to geomahaneasce@gmail.com. The Nebraska Section ASCE Geotechnical Committee will review all submissions.

***Abstract Submission Deadline to be considered for 2020 Conference:
April 30, 2019***

Abstracts submitted between May 1, 2019 and August 31, 2019 will be considered for the 2021 Geo-Omaha conference, but may also be considered for 2020 should there be additional need.

Submit abstracts to: geomahaneasce@gmail.com

Guidelines:

- Title of Presentation
- Abstracts must be between 300 to 500 words.
- Abstracts must include the full formal names, credentials, affiliations and email addresses for speaker(s).
- Include Short Bio of Presenter(s)
- Presentation Time Requested: 30 mins, 45 mins, or 1 hour
