Greg Seib, PE, M.ASCE

### From the President

Greetings, ASCE Nebraska Section! The Transportation Meeting on April 24th at Anthony's in Omaha had a great attendance to hear Mike Piernicky's presentation on the Crown Point Avenue project. The Transportation Conference on May 31st had some great presentations and an outstanding attendance of approximately 165. Although we have concluded our technical meetings and conferences for the year, but still have some big events coming up.

I hope many of you can join us on June 13th for the ASCE Nebraska Section Annual Meeting and Banquet, which will be held at Granite City near Westroads Mall in Omaha. This is always a fun event where new officers are installed and awards are presented to outstanding students, outstanding section members, ASCE Life Members, and others.

On Saturday July 13th at 9:45 a.m. the Nebraska Section will be hosting a dedication ceremony for a National Historic Civil Engineering Landmark for the Union Pacific Railroad in Nebraska. This will be in conjunction with Railroad Days at Lauritzen Gardens/Kenefick Park in Omaha. This event is open to the public so all ASCE members and guests are invited to attend (no need to register).

Finally, another reminder that print versions of the e-book commemorating the Nebraska Section's 100th Anniversary in 2017 are now available for order. You will find a link on the NEASCE.org website where you can order your copy.

Greg Seib, PE, PTOE, M.ASCE

ASCE Nebraska Section President

Sincerely,

Greg Seib, PE, PTOE, M.ASCE

ASCE Nebraska Section President
